

Reno Zammit

**Corporate Services
Senior Manager**

reno.zammit@nexiabt.com

Reno joined Nexia BT in 2015 as senior manager of the corporate services department, after a long career as a financial controller of various companies and groups.

After graduating in Accountancy at the University of Malta in 1989, Reno started his career as a management accountant with AX Holdings Group. After three years he was promoted to financial controller of one of the subsidiaries within the Group. In 1996, Reno moved to NSTS as the group financial controller. In 2001 Reno joined Simon J Camilleri Group of Companies in the same position. Reno now manages the corporate services department which provides accounting, consultancy and payroll services to the international and local clientele.
