Ryan is a Certified Public Accountant and a member of the Malta Institute of Accountants having graduated from the Association of Chartered Certified Accountants (ACCA). He started his career in a medium-sized firm where he handled a solid local-based clientele and an international client portfolio. Ryan then moved to Tumas Group and subsequently to Cars International Ltd, a joint venture between Tumas Group and United Group, both well-recognised local groups of companies. As head financial controller, Ryan directly coordinated mergers, acquisitions, start-ups and joint ventures both with international investors and with local business partners. During this time, Ryan managed a combination of specific-designed projects for local clients and large scale projects which at times had an international dimension.

Ryan's personal experience also involves restructuring plans, internal controls and VAT consultancy. Directly specialising in a niche approach to businesses in achieving the required financial aid to sustain business investment.

Ryan has first-hand experience on international trade, including imports and exports from/to Asia Pacific, Africa, Europe and the U.S. The hands-on experience of more than fifteen years in the construction, automotive, transport, logistics, retail, finance and hospitality industries, together with his meticulous approach, give Ryan the ability to deal easily with different enterprises adapting his knowledge to address the needs of the client.
