

Darren Bugeja

Audit Director

darren.bugeja@nexiabt.com

Graduated from the University of Malta with an honours degree in Accountancy in 2004, Darren has over eleven years' experience in professional services, mainly in audit.

With his technical knowledge, eye for detail, and his good planning and problem solving abilities, he has been a key employee that contributed to the expansion of the audit business unit. He started his career with Grant Thornton Malta for three years, as an audit senior. In 2007, Darren joined Nexia BT and was promoted to audit director in 2016. During his employment with the firm, he has been responsible for planning and supervision of audit related assignments for a number of years. His responsibilities include, reviewing the audits performed by senior and assistant auditors of the firm, organising audit teams, and managing administration of the audit department. He is also directly involved in performing large and technical audits. Darren also manages consolidations of group companies and has worked on a wide range of audit assignments, both public and private, including groups, small to large organisations individual companies, corporations, authorities, foundations, clubs, cooperatives, voluntary organisations and local councils.

The sectors involved include construction, shipping, manufacturing, agriculture, retail, hotels, iGaming and hospitality. Darren is a fellow member of the Malta Institute of Accountants.
