

Robert Magri

**Corporate Service,
Manager**

robert.magri@nexiabt.com

Robert joined Nexia BT in 2009 after obtaining his ACCA certification where he holds a managerial position in Nexia BT Consulting Ltd. Together with Reno Zammit | senior manager and Ryan Montebello | manager, Robert manages a team of professionals and leads projects to provide the firm's financial controller services to our large customer base.

Apart from his financial controller background and hands on experience which empower him to liaise with the local authorities, he specialises in management and financial consultancy. His excellent time management and leadership skills ensure that the clients' needs are met in an efficient and timely manner.
